Description
How can distributors generate "Viber/Skype-OUT" like revenues? Our new mFLASH APP monetizes OTT voice & messaging within the mass-market, delivering value to both consumers and retailers. mFLASH, international all in one communications APP, innovates with high-quality low-cost calls with NO-INTERNET, and NO-CREDIT-CARD required to top-up. APP Recharge is enabled by e-vouchers. BeeOne Communications, Swiss leader in Prepaid Telephony, offers high-quality low-cost products, targeting consumers with extensive international communication habits. We deliver e-voucher-based-services to more than 9000 points-of-sales in Switzerland and Luxembourg. In 2015, BeeOne launches mFLASH international distribution beyond Switzerland and is therefore looking for e-voucher distributors.
