Description
opentrends: 10 years of Successful Innovation in Information Technology.

We are a Software Engineering company, based in Barcelona and focused on custom development of specialized APP's and Portals, using most advanced technologies. Have our own in-house design department.

We have expertise in Architecture Systems, Java Development, and dynamic, innovative IT strategies for businesses, organizations, and government. We develop Frameworks, Big Data, Private Cloud and Application LifeCycle Management.

We integrate state-of-the-art technology and cutting-edge design in one company.

opentrends' core "DNA" combines: - Technology - Engineering - OpenSource Solutions Solutions - Context-aware - Smart Cities - Corporate - Customer
