- 04.03.2015 Wednesday (13.10h - 15.15h)

Description

Combis is one of the biggest system integrators in the Adriatic region. Founded in 1990. in 2010. we were acquired by Croatian Telekom. Through this acquisition we became a member of Deutsche Telekom group.

Currently we are focused several areas and products that are primarily targeted for network operators. Our main focus areas are cloud, big data, financial services and customer care solutions.

More information about our services and proposition are available under www.comcloud.com & www.combis.hr
