Description

RE FAB-Dijon is a bicycle brand developed by The bécane Jules. Bicycles "unique" manufactured from bikes and parts from reuse. The aim of the company is to start local production in order to reinvent the bicycle industry in Dijon, recreate a brand of bikes such as those that were the pride of Dijon: Cottureau Magnat Debon, Terrot, Lapierre, Simplex and to add connected services to it.

Organization Type

Company

Organization Size

1-10

Founding Year

2008
