Description

Action Mount® makes the most simple, easy to use, truly universal Action Mount for a smartphone that currently exists on the market. The innovative design is compatible with any phone, or any case, as well as future models of smartphones and phablets. The Action Mounts let people conveniently capture and share the events in their life that matter most, at an affordable cost. Not everyone can afford the expensive action cameras that are currently offered on the market, therefore Action Mount offers an easy-to-use video capture alternative for people of all ages. Also compatible with GoPro® Cameras.
