5. Test and measurement equipment

SOFTWARE/INTERNET

1. Application development
2. Mobile security systems
3. VOIP Systems

SERVICES/OTHERS

1. Education and training

Offer

EDUCATION AND TRAINING IN IT FIELD

Our University offers a 3-year-university level and our students are open to a large scale of IT solutions. We are looking for a technical cooperation through the know-all of our students who can work "free" for a company for a 4 month-period. Our staff can help a private sector to develop some IT application, all over the world.

Cooperation Offered

1. Technical co-operation

Cooperation Requested

1. Technical co-operation

Request

TECHNICAL COOPERATION

We would like to make bridges between our University and some other Universities and/or IT private sectors.
