Description

An innovative Norwegian company with highly knowledgeable resources with core telecom skills. IPCO deliver B2B services for MNO's, MVNO's and SP's. IPCO developed and patented disruptive technology with focus on WiFi Calling and Roaming Services.

IPCO Cloudfone Service enables MNO's, MVNO's and SP's a cost efficient service on a local as global prospective. The Cloudfone Service is a real GSM/LTE-Service, which enable mobile operator's to compete against the OTT-player's and reduce customer churn!
