Description

SITmobile belongs to Soprano Design Group, together forming the world's largest mobile enterprise messaging software company for mobile network operators. The group provides Push Messaging solutions to meet marketing needs, optimize communications processes and exploit business opportunities. To do this, it offers a proved multichannel mobile marketing SaaS platform to companies of all sectors and sizes. At Mobile World Congress 2015 we will be presenting SOPRANO GAMMA, the NEW AWARD-WINNING SECURE MOBILE MESSAGING APP FOR BUSINESS that enables a feature-packed multimedia messaging experience.
