**DESCRIPTION** Mobilosoft's business philosophy is to help retailers worldwide dispatch their Point of Sales, promotional & stock data online so they can focus on their core business: selling their products. We deliver a solution that extracts content from your sources (PDF, Folder, Xls,...), we (re)organize the content so that we may distribute it in the right format to a multitude of channels (Google, Facebook, your sites and mobile apps, GPS, etc.). It's Mobilosoft's way to help businesses worldwide return their data into profits by enhancing their online presence and boost traffic to their physical stores! More than 10.000 stores supported in Europe.

## Offer

# DATA MANAGEMENT FOR RETAIL COMPANIES AND THEIR AGENCIES

Mobilosoft's business philosophy is to help retailers worldwide dispatch their Point of Sales, promotional & stock data online so they can focus on their core business: selling their products.

We deliver a solution that extracts content from your sources (PDF, Folder, Xls,...), we (re)organize the content so that we may distribute it in the right format to a multitude of channels (Google, Facebook, your sites and mobile apps, GPS, etc.).

It's Mobilosoft's way to help businesses worldwide return their data into profits by enhancing their online presence and boost traffic to their physical stores!

More than 10.000 stores supported in Europe.
