Description

Recent work: <http://surl.novoda.com/intro>

Our experience:

- * App Design & Development
- * DRM Integration (Widevine certified)
- * External Service integration
- * Streaming Media
- * Custom Launchers
- * 3rd Party App customisations and integrations
- * Full teams of up to 20, all in-house located in London and Berlin. All in-house of management, development and product design.

We have delivered this on behalf of OEMs in the past to deliver unique phones, tablets and custom form factors. Most recently we delivered a tablet for Tesco in the UK called Hudl.

We are also at the very heart of the community organising the London Android user group and the London arm of Droidcon. Novoda's years of Android expertise guarantees superb Android products whatever the form factor and wherever the challenge. All expert, in-house and Android. Based in London, Berlin, Barcelona & NYC.

Please see both our website and the below document for more info.

Offer

DRM PlayReady / Widevine Integration

Recent work: <http://surl.novoda.com/intro>

We have experience in developing DRM for large TV and video networks. We have Widevine certified experts in London & Berlin and work currently on ARTE, MUBI and a host of TV Networks in the UK.

Our work delights millions through their daily Newspapers, Shopping, Orchestras, Tv & Video Networks by our re-imagining industries through mobile thinking. We are also at the very heart of the community organising the London Android user group and the London arm of Droidcon. Novoda's years of Android expertise guarantees superb Android products whatever the form factor and wherever the challenge. All expert, in-house and Android. Based in London, Berlin & NYC.

Additionally, we offer customisation of the entire stack of Android for shipping with unique devices.

Our experience:

- * App design & development
- * ROM creation

- * External Service integration
- * DRM integration
- * Custom Launchers
- * 3rd Party App customisations and integrations
- * Full teams of up to 2-20, all in-house located in London and Berlin. All in-house of management, development and product design.

We have delivered this on behalf of OEMs in the past to deliver unique phones, tablets and custom form factors. Most recently we delivered a tablet for Tesco in the UK called Hudl. Please see both our website and the below document for more info.
