Description

We are a APP development company focused on different solutions and markets.

We have developed solutions in:

- digital publishing (appbooks & emagazines)
- entertainment (music, social and media APPs)
- loyalty, CRM & mcommerce for retail
- B2B & CRM APPs for sales force with ERP integration
- ehealth

We don't only develop for the specific customers needs but also we develop technology solutions for which we are looking for business partners and funding:

- loyalty&CRM technology for retail marketing
- in-app messaging technology
- ehealth

Our main industry customers comes from:

- Pharma and health
- Entertainment
- Retail
